

SUMMARY

Professionally a Data Science Student With Strong analytical skills in SQL, MongoDB, Data Visualization Tools and ongoing learning on Full Stack development and Python Course . Passionate about technology ,content Creation , and Innovation

EDUCATION

Visveswaraya Technological University, Belagavi

2021Bachelor of Engineering in Computer Science(8.5 CGPA) 2022 - 2026 Programming

aAlpha Pre-University College,

PUC-PCMB (89%) 2022

SKILLS

- Strong organizational and time-management skills
- Exceptional communication and interpersonal skills
- Ability to work independently and as part of a team
- Detail-oriented and able to handle multiple tasks simultaneously
- Programming Languages: Python, C, SQL
- Static Web Development: HTML, CSS.
- Databases: MongoDB, SQL
- Cybersecurity: Security fundamentals & threat analysis (Learner)
- Project Management: Task planning & execution (Learner)
- Data Visualization: Tableau, Power BI .
- Data Analyst with Google (Learner)

CERTIFICATIONS

- Google AI essentials [Certification](#)
- Foundation of cyber security [certificate](#)
- Ask question to make data driven decision [certificate](#).
- Connect and protect : Networks and network security [certificate](#) .
- Play it safe: Manage Security Risk [certificate](#).
- Foundation of project management [certificate](#) .
- Foundation: Data ,Data Driven Everywhere [certificate](#)

PROFESSIONAL EXPERIENCE

Student - Fresher

Self-initiated Projects | 2024 - Present

- Developed a mini-project "Eye-Tracking Cursor Control System", utilizing MediaPipe for eye landmark detection and calibration.
- Created multiple static and responsive websites using HTML, CSS.
- Worked on UI/UX design principles to enhance website functionality and user experience.
- Gained hands-on experience in frontend development through project-based learning.
- Passionate about continuous learning, exploring emerging technologies in AI, cybersecurity, and full-stack development.
- Completed a Project Management course, gaining skills in task planning, team collaboration, and efficient project execution.
